**National Alliance:  
American Labor  
Serving the Nation...**

Since 1913 when 35 black railway  
mail clerks met at the foot of Lookout  
Mountain to form a Union to aggressively  
defend Black workers in an uphill struggle  
for equal opportunity. Today we are more  
than 100,000 strong... still growing...  
still Black controlled... and still  
fighting... for rank and file federal  
employees... of all races, creeds and color.
